Where is that Fall Noel Barrett Auction?

We normally have 2 quality toy auctions a year but this year is a bit different. Our sales have traditionally been held in early Spring and mid-Fall but for reasons beyond our control we were pushed into early Summer for our first sale of the year. In order to shift our calendar back to early Spring and mid-Fall we are skipping a Fall sale and have begun processing consignments for a spectacular sale on April 24 & 25, 2010 and planning for a sale in October 2010. We have some exciting collections lined up but have room for more. If you want to discuss consignment - please give us a call or contact us by email.

Offering outstanding service to collectors -
selling playthings of bygone days at
auction since 1986
